Subject: Appointment of Representatives to the Ice Seal Committee

Dear Chairman Adams,

On behalf of [Name of Regional Entity], we are pleased to affirm the appointment of [Representative's Name 1] and [Representative's Name 2] to the Ice Seal Committee as our official Regional and Hunter Representatives respectively. We also affirm the appointment of [Alternate's Name 1] and [Alternate's Name 2] as the alternates to our official Ice Seal Committee Regional and Hunter Representatives respectively.

These appointments reflect the commitment of [Name of Regional Entity] to ensuring that the voices and interests of our tribal communities are actively represented in discussions and decisions that impact our cultural and environmental heritage, particularly with respect to ice seals.

[Name of Regional Entity] is a recognized coalition of [number] tribes, dedicated to preserving and promoting the rights, resources, and traditions of our member tribes. Our consortium embodies a deep-rooted connection to the land, ocean, and overall ecosystem, particularly in relation to sustainably managing ice seal populations on which our people rely for subsistence, and which have significant cultural, economic, nutritional, and traditional importance to our communities.

We trust that our appointed representatives and their alternates will bring valuable insights and perspectives to the Ice Seal Committee, and we fully support their participation. They have our full confidence and authority to act on behalf of our tribal consortium, represent our collective interests, and advocate for the well-being of our tribal members.

Thank you for your attention to this matter. We look forward to the continued collaboration between [Name of Regional Entity] and the Ice Seal Committee.

Sincerely,
